Message from the President

The Pushrods of Hoquiam events for 2024 are about completed. Our charity auction in February, the spaghetti feed for the car community in April, our Tractor supply car show in May, the new cruise in to Seabrook in mid-June, and the big show, our Hot Rods in Hoquiam at the end of June. An aggressive agenda. I am getting calls from folks about using the club for their businesses for promotions. We have a reputation of an organization worthy of using as a hook to get people to come to their events.

Seabrook has become a great partner for us. They provided us with an opportunity to help with their Father's day event and graciously gave us the big prize to give away at our Hot Rods in Hoquiam show valued at \$700 to \$1,000 dollars. Thank you.

We had 14 members bring their cars out with another 8 or 9 outside cars show up. The weather scared folks off because of rain. It wasn't as bad as we thought. You missed out.

Our next business meeting will be July 10th.

No Pushrod board meeting this month

Our annual PUSHROD picnic is September 14th at Wayne Cotton' s house.

It's time to work on house projects and relax for a while.
