Meetings

Message from the President

November 2024 is upon us with past news, Pushrod events and future projects in the planning.

In late September, the Pushrods made their way to the Washington Hot Rod Hall of Fame to see Fred Scott inducted into the Hall of Fame. A very nice event and a humble and grateful speech from Fred.

On October 19th, eleven hearty souls pressure washed the Hoquiam High School stadium bleachers. Three hours of work out them back into clean and happy condition. Fred bought lunch for all at the Grizzly Den. A good day for fellowship and a community assist.

If you have not heard, the Pushrods of Hoquiam are going forward with our annual charity auction in February 2025. A collection of people consisting of officers and board members are sharing the task of putting this together. Despite the utter lack of a single person not volunteering to head the project, I felt we could adapt and overcome our situation. A big thank you to Patty Rager for starting the ball rolling for donations. I am asking all Pushrods to donate in some way if possible. (continued)

An item of value or a cash donation will greatly help us get the number of auction items. The deadline for solicitations will be February 1st. The auction date is Feb. 16th. Let's pull together and make this happen.

Christmas meeting/dinner is December 7th (Saturday). If you are not signed up yet, get with Kelley Callaghan for information and please bring a new gift for a boy and girl for our toy drive. Social 3, dinner 4. Program 5.

Push Rods of Hoquiam
