Message from the President

We survived the month of February. The big yearly charity auction that the Pushrods put on is over and done. Patty Rager is in rehab for a few weeks but we expect that she will be fine. Year two under her leadership was a success once again with the help from a few members going out into the public to garner donations spending their time and gas to get the job done. The Pushrods have earned the respect of this greater Grays Harbor community by giving generously to our cause. To all that helped on auction day, THANK YOU.

An exciting program is going to happen on March 27th (Friday) at the Aberdeen High School. The Pushrods of Hoquiam will be giving a club presentation to their auto shop program about our club's history, functions, activities, community service and the future. I would like to propose forming two scholarships for their program to help those young men and women to pursue an automotive career. Hopefully the weather will be nice enough to bring our cars for show and tell. The goal is to get the younger people to get involved in our car culture.

Denny

Looking ahead, we are having a swap meet on April 25th with the Midnight Cruisers. The site is the lot next to Duffy's restaurant. Spaces are 10x8 for $20. First come first served for spots. If interested, call Mike Myers at 206-354-9555.

Calendar
