Message from the President

Pushrodders:

The 2026 car season is about finished for this year. Not a bad summer but could have been better.

This year we lost some friends and family members that we miss and think about. As you know, life goes on as we deal with sadness, pain and how these events change our lives. Always remember that the Pushrods are a family to help ease your troubles.

There have been some changes to our officer`s positions. Ralph Cook is stepping down as treasurer due to more pressing family obligations. Patty Rager is now our treasurer. Jacob Parkins has had to step down as our public relations officer due to work. I am taking over my old spot as the new PR guy. I'm always looking for help, so if you want, let me know.

Our last Pushrod lunch at the Light house Drive Inn had 17 members show. That was really nice to see that kind of turnout.

Denny

(Continued)

At our board meeting we were informed that a very obnoxious individual destroyed one of the cities big flowerpots that we had purchased that was in front of Gil`s shop. The board decided to donate $400 to the city beautification group to replace it and fill it with dirt and flowers.

Starting this month, our monthly business meetings will be held upstairs in the Hoquiam Elks building at 6:30 on the first Wednesday of the month. We can have peace and quiet and privacy without public interference. After entering the building, instead of going straight into the meeting hall, go up the stairs to the room.

If any member has some last-minute yard work or cleanup before the weather really changes, let me know so we can organize a little work party to help.

The build-up for the charity auction for February is starting up this month. Lots to do with lots of help needed.

Monica has started to get the Christmas party organized. Calls are going out for your meal selection of prime rib or salmon. It will also be a “Pot Luck” with the type of food for you to bring assigned: salads, entrees, desserts, or appetizers. If you are one of our senior members that don’t cook, let Monica know and you do not have to bring something. Don`t forget the toy drive of the kids, one for a boy and one for a girl.

A bit of news for all of you car buffs--- Sometimes it isn`t what you know but who you know and in being in the right place and the right time that good things can happen. Jim Daly has acquired a 1936 Ford 5 Window Deluxe Coupe as his next project. Ask him about it and maybe give him some help or advice. Neat car.

Calendar

Nov. 4 Pushrod Business meeting 6:30 Hoq. Elks upstairs
